

GRASSROOTS TO GLOBAL

SHOWCASING COLLABORATIVE & INTERDISCIPLINARY RESEARCH IN HIV/AIDS AT SFU

Friday, October 7th, 2011

9:00 a.m. – 4:00 p.m.

IRMACS Theatre, ASB 10900

The BC Centre for Excellence in HIV/AIDS has joined the IRMACS Centre to present a one-day conference bringing together SFU researchers who are working within the field of HIV/AIDS in various capacities and disciplines.

Keynote speaker (12:30- 1:30 p.m.)

Dr. Julio Montaner, Director
BC Centre for Excellence in HIV/AIDS

Some of the speakers include:

- **Dr. Mark Brockman**, Department of Molecular Biology and Biochemistry
- **Dr. Zabrina Brumme**, Faculty of Health Sciences
- **Dr. Robert Hogg**, Faculty of Health Sciences
- **Dr. Art Poon**, BC Centre for Excellence in HIV/AIDS
- **Dr. Sandy Rutherford**, IRMACS Centre

Breakfast will be available in the IRMACS atrium starting at 8:30 am for all attendees. A light lunch and refreshments will be served. Please come early, as space is limited.
